Dear Warren,

We have utilized After the game Soaks for our players for over five years and have been extremely pleased with the outcomes it has helped us produce. The players have reported feeling refreshed and rejuvenated following their treatments with your product. Our medical staff has been able to document the results of the salts anti-inflammatory impact on arthritic joints and swollen body parts.

After the Game Soak has become a very welcome adjunct to our treatment plan.

Best regards,

A handwritten signature in black ink that reads "Jim McCrossin". The signature is stylized with a large, looped 'J' and 'M'.
